

Mode Plus

The Mode Plus is a fantastic 5-panel cap that's related to our [Mode model](#). The brim of the Mode Plus is thicker than the standard Mode cap due to the three panels that make up the brim. The middle panel of the brim is a contrasting colour to the other two panels. Both Photo Printing and Embroidery branding methods are available to you, and we can help you decide on the best branding option for your own logo. The Mode Plus also features an adjustable sizing strap and it can be hand washed when required.
