

# Wafer

At just 2.2mm thin, the Wafer USB is one of the thinnest USB Cards in the world. It's ideal to store in your wallet, pocket or organizer. Its large brandable area can be photo printed on both sides in full vibrant color to showcase your smartest brand designs. The outer shell is made from GRS Certified recycled plastic. Check out our [Wafer Duo](#) model that features a Standard USB and a USB-C connector.
