

Shift

Our Shift Flash Drive features a standard USB connector at one end and a USB-C connector at the other end, which is compatible with many of the latest computers, laptops, smartphones and more. The practical sliding mechanism can reveal and hide both USB connectors as you wish. The Shift also comes with a handy tethered cable that can easily attach to a set of keys or lanyard. We can Screen Print or Laser Engrave your logo onto the dedicated branding area. Get in touch today regarding our latest prices and delivery options.
