

Fresco

The Fresco is designed to fit snugly around standard drink cans and bottles - maintaining your beverage temperature for longer, whilst keeping your hands dry. The soft-touch material is designed to be branded with your logo in stunning detail, thanks to our expert Photo Printing methods. The end result is an eye-catching, vibrant promotional product. A great idea to giveaway at your next conference, event or to your staff and clients. For a slimmer version, check out our [Fresco Slim](#) here.
