

# Espresso

- Cold drinks stay cold
- Hot drinks stay hot
- No nasty chemicals
- Durable
- Double-walled insulation

The Espresso insulated coffee cup is a petite model designed for those who like a shorter coffee. The flip lid is made from durable thermoplastic rubber and the body of the cup is made from 304 grade stainless steel - both of which are industry standard materials for high-quality drinkware. Get in touch today regarding branding information, prices, delivery and samples.
