Graphics Technicians

Flashbay Electronics Philippines Inc. is in need of motivated, skilled and committed Graphics Technicians to join our dynamic, fast growing team at our office at the BGC Manila Site. We require someone who is looking for a challenging role and an established career within a high performing entrepreneurial company.

Apply now to know more about careers at Flashbay!

About the Role:

- Develop virtual proofs of branded electronic products.
- Prepare, design and format product, aligned to the client's customized preference.
- Identify design improvements that will support the Marketing and Sales departments.
- Will be working on shifting schedules including graveyard shifts.
- Organize and maintain a design database of all products.
- Other tasks that may be required for this job.

About You:

- Bachelor's/College Degree in Fine Arts/Graphic Arts or any related course.
- Transcript of Records (TOR) must be presented during FTF interview.
- Superior skills in using Adobe Photoshop and Adobe Illustrator.
- Wide range and knowledge of graphic print and lay-out.
- Quick understanding and identification of layout design and preference.
- Related work background is an advantage.

About Us:

Flashbay is the World's No.1 business-to-business (B2B) supplier of logo branded Promotional Technology products. From the smallest schools to the largest multinationals, we offer an attractive range of designs within our Memory, Power and Audio categories, offering unbeatable prices coupled with fast and efficient service. Our product lines include Flash Drives, Power Banks, Speakers, Headphones and a host of related technology products and accessories which allow our customers the unparalleled ability to promote their brands with confidence on the global stage.

About our Offer:

We have a great working environment with modern offices and free delicious coffee. We recognise the importance of a healthy work/life balance and that's why you will rarely see any of the support team in the office after their eight (8) hour shift with regular Saturday-Sunday rest-days. On top of this we offer an excellent compensation package with commission and other benefits.
